Question Number: 2

Would ODOT consider extending the completion date to 2011?

See addendum 1

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.

Ohio Department of Transportation Prebid Questions

Project No. 090517

Sale Date - 12/4/2009

Question Submitted: 11/23/2009

Question Number: 1

Would ODOT consider a polymer mix design in lieu of the specified fiber mix design? ODOT would realize a cost savings as well as a better product.

The district does not want to change the mix design on the subject project.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
