Question Number: 3

Proposal Note 418 on page 30 of the proposal specifies that asphalt mixes be designed for light traffic volumes. Reference #65 calls for a Type 1H asphalt surface course. There appears to be a conflict in the asphalt mix designs required- can ODOT please verify?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
