Prebid Questions

Project No. 080098

Sale Date - 1/25/2008

Question Submitted: 1/24/2008

Question Number: 1

On Pg.4 Col.1 Par. 2 States ;After placing the surface course in one lane the long. joint shall be tacked on the vertical face prior to placing the adjacent surf. course. In addition to section 401.14 and drawing BP-3.1 transverse, LONGITUDINAL, feathered and butt jnts. shall be sealed with a 4" wide AC band. Is the intent of this note to seal the longitudinal joint with a 4" AC band on the finished surface course for the entire job? Thanks

Yes.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
