Prebid Questions

Project No. 070557

Sale Date - 12/19/2007

Question Submitted: 12/11/2007

Question Number: 1

1. Please verify that the type C field office is correct. 2. Can the existing two piers be sealed to the waterline or will cofferdams be needed to seal them to the ground line?

Question Submitted: 12/11/2007

Question Number: 2

1. Can the existing bridge plans be made available online? 2. On plan sheet 35/37, Item 530 Waterproofing is called for in the typical section. Please verify if this is correct. 3. Please verify where the Item 512, Type 3 and Type B waterproofing is to be installed, and verify the quantities are correct.

Question Submitted: 12/11/2007

Question Number: 3

ODOT 070557 - Addendum 1 Answers to pre-bid questions Q1, bridge plans are available online and gives the posted address. I'm unable to pull up plans using this address.

Problem has been corrected. Please try again.

Question Submitted: 12/11/2007

Question Number: 4

For the pier cap removal, can we saw the pier cap completely off and dowel in any reinforcing steel needed at our own expense?

No, please prepare your bid based upon the plan.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
