Prebid Questions

Project No. 091020

Sale Date - 5/20/2009

Question Submitted: 5/1/2009

Question Number: 1

The proposal for this project indicates a completion date of 8/31/09. The plans require all lanes to be open to traffic during holidays. Due to the cure times required for the structure work involved and the limited opportunities to perform it based on the holiday restrictions, would ODOT consider a later completion date such as 9/30/09?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
