	7-1 and 7-2	7-1 and 7-2	Editorial	Table of Contents. Corrected Section title for 702-5.
	7-3 and 7-4	7-3 and 7-4	—	Reprinted page as part of the revision set.
702-5	7-5	7-5	Change	School Signs, SCHOOL ENTRANCE Signs (S3-H3). Revised “Signs” in the Section title to “Sign.” In the first paragraph, added “where there is poor sight distance or a fairly large volume of traffic entering or exiting the driveway” to the end of the first sentence. Also, revised “one” to “device” and added the following sentence at the end of the paragraph, “When the traffic is seasonal, the sign should be removed, folded or covered during the period the entrance is not in common use.” In the second paragraph, revised “draw attention to” to “provide advance warning of,” revised “and related” to “and the related,” and inserted “speed limit” after “School Zone.” Added the following new fourth paragraph: “Although this sign is not shown in the OMUTCD, it can be found in the Sign Design Manual.”
702-6	7-6	7-6	Change	School Signs, Responsibilities for School Signs with Beacons. In paragraph one, deleted “(see Section 1314)” and added “(Form MR 689 is available on the ODOT Maintenance Administration’s website from their “Maintenance Downloads” page.)” at the end of the paragraph.

Revision Involves:			Revision Type *	Section Title and Revision Description
Chapter or Section	Page	New Page		
704	7-9	7-9	Change	School Area Markings. Deleted the term “word” from the first line of the second paragraph, indented the second, third, fourth and fifth paragraphs, and inserted “Note 3 of SCD TC-71.10 states:” as a new second paragraph. The existing second, third, fourth and fifth paragraphs all become part of a quote referenced in new paragraph two. Since part of this note appears to conflict with current wording in the OMUTCD, added the following new last paragraph: “The clarify the intent of Note 3 of SCD TC-71.10 for two-way, multi-lane highway: transverse lines extend across only approach lanes, and the School word marking is limited to the width of two approach lanes.”
	7-10 thru 7-11	7-10 thru 7-11	—	Reprinted page as part of the revision set.
705-1	7-12	7-12	Change	School Zones, General. Revised “Speed Limit signs (see Section 702-3)” to “Speed Limit signs for School Zones established per Section 4511.21 (see OMUTCD Section 7B.11).”
705-2	7-12	7-12	Change	School Zones, Requesting a School Zone Extension. In the last line, deleted “(Form 1396-1)” and added “(Form MR 689 is available on the ODOT Maintenance Administration’s website from their “Maintenance Downloads” page.)” at the end of the paragraph.
705-4	7-12	7-12	Change	School Zones, Documentation. In the third paragraph: deleted “, including date of sign erection” in the first line; revised “an inventory of School Zone Extensions shall be maintained by OTE” to “ OTE shall maintain an inventory of School Zone Extensions” in the second sentence; and replaced the last sentence with “This inventory is available from the ODOT internal network O drive at O:\Traffic\regulations and on the ODOT website from the OTE Forms, Documents and Publications web page. The electronic files are updated, depending on current workload, as revisions are received.”
795	7-12	7-12	Editorial	Reference Resources. Deleted reference to Section 195 since it does not, at this time, include any material specific to this subject.
