

5501:1-8-06**Waiving obstruction standards.**

- (A) A waiver from obstruction standards by the administrator is allowable under section 4561.36 of the Revised Code if a waiver would not impact the safety of aircraft in landing and taking off at an airport, the safety of persons occupying or using the area, and the security of property.
- (B) A permit issued with a waiver of the obstruction standards shall include the reasons for the waiver, conditions imposed by the office associated with the waiver, and any additional restrictions or conditions deemed appropriate by the office. The decision to grant a waiver and the terms and conditions imposed thereunder shall be final. Failure to meet the conditions and restrictions of any waiver shall render the permit void and the applicant subject to enforcement action.
