

Equipment Training Resources Summary

As of: November 16, 2020

The following is a list of **FREE** resources available for Ohio's Local Public Agencies on the topic of Heavy Equipment Training. This list is not intended to be all-inclusive and agencies seeking this type of training for their employees are encouraged to explore additional educational sources. Currently, the Ohio LTAP Center does not offer hands-on heavy equipment training.

1. Online Training
