

Future LTAP Training – *See Also: [Webinars Webpage](#)*

The information below is provided to assist our LTAP customers as they plan for future training opportunities for their employees. This listing will be updated periodically. *All information provided in the table below is tentative, pending confirmation of instructor availability, course dates and locations. LTAP reserves the right to postpone or cancel any future sessions that have not yet been announced for enrollment/registration.*

New course sessions are announced continuously throughout the year by email. If you are not currently receiving email announcements from Ohio LTAP, please [click here](#) to subscribe. Registration typically opens approximately two months (60 days) before each training date.

<i>Summer 2020</i>		
<p><i>Updates (8/24/20) – based on the Urgent Health Advisory for Ohio due to COVID-19, and in accordance with guidance from ODOT Executive Leadership and Facilities Management, all in-person LTAP sessions previously scheduled through January 4, 2021 have been cancelled. We are not re-scheduling cancelled sessions at this time, due to uncertainty as to when it might be feasible to host instructor-led sessions. Future updates will be posted as they become available. Please feel free to visit our Webinars webpage for information about upcoming virtual training opportunities, or our eLearning webpage for information on how to access more than 250 free online courses/modules.</i></p>
