Re: Ohio 2021-2024 STIP Transit Amendment 1

Dear Mr. Dyer:

This letter responds to your request dated September 30, 2020 to amend the Ohio 2021-2024 Statewide Transportation Improvement Program (STIP). The amendment adds thirteen (13) new projects, removes three (3) projects and revises funding for eight (8) projects under the following Transportation Improvement Programs (TIP) and the Statewide Program:

1. Akron Metropolitan Area Transportation Study – Metro Regional Transit Authority & Portage Area Regional Transportation Authority and 5310 agency funding
2. Belomar Regional Council – Eastern Ohio Regional Transit Authority
3. Clark County-Springfield Transportation Coordinating Committee – City of Springfield
4. Eastgate Regional Council of Governments - Western Reserve Transit Authority
5. Kentucky-Ohio-West Virginia Interstate Planning Commission – Lawrence County Port Authority
6. Lima-Allen County Regional Planning Commission – Allen County Regional Transit Authority
7. Mid-Ohio Regional Planning Commission - Central Ohio Transit Authority & Delaware County Transit Board
8. Miami Valley Regional Planning Commission - Greater Dayton Regional Transit Authority

9. Northeast Ohio Areawide Coordinating Agency – Greater Cleveland Regional Transit Authority and LakeTran
10. Ohio-Kentucky-Indiana Regional Council of Governments (OKI) – City of Middletown
11. Stark County Area Transportation Study - Stark Area Regional Transit Authority
12. Toledo Metropolitan Area Council of Governments - Toledo Area Regional Transit Authority

We have determined that all of the eligible projects shown on the attached list and included in the Ohio STIP are financially constrained and are consistent with the statewide and metropolitan planning organizations' transportation plans.

We also find that the above TIPs are a result of a metropolitan planning process that substantially complies with the requirements of 23 CFR 450. Accordingly, FTA approves this STIP amendment.

Please feel free to call Stewart McKenzie at (312) 353-2866 or Mark Kane at (312) 353-1552 if you have any questions.

Sincerely,

Vanessa Adams
Director of Financial Management & Program Oversight
