Re: Ohio 2021-2022 STIP Transit Amendment 2

Dear Mr. Dyer:

This letter responds to your request dated January 5, 2021 to amend the Ohio 2021-2024 Statewide Transportation Improvement Program (STIP). The amendment incorporates 14 new projects, deletes two projects and revises 18 projects in the following Transportation Improvement Programs (TIP) and the Statewide Program:

1. Akron Metropolitan Area Transportation Study – Metro Regional Transit Authority
2. Brooke-Hancock-Jefferson Metropolitan Planning Commission – Steel Valley Regional Transit Authority
3. Clark County-Springfield Transportation Coordinating Committee – City of Springfield
4. Eastgate Regional Council of Governments - Western Reserve Transit Authority
5. Mid-Ohio Regional Planning Commission (MORPC) - Central Ohio Transit Authority
6. Northeast Ohio Areawide Coordinating Agency (NOACA) – Greater Cleveland Regional Transit Authority and NOACA - 5310 Agency Funding

We have determined that all of the eligible projects shown on the attached list and included in the Ohio STIP are financially constrained and are consistent with the statewide and metropolitan planning organizations' transportation plans.

We also find that the above TIPs are a result of a metropolitan planning process that substantially complies with the requirements of 23 CFR 450. Accordingly, FTA approves this STIP amendment.
