

Do I need to register my transit vehicle with the PUCO/USDOT?

Revised 10/31/2019

This chart is designed to assist transit agencies in Ohio with registration requirements they may be subject to. These can include licensing as an ambulette with the Ohio Department of Public Safety, requiring annual inspections with the Ohio State Highway Patrol, registering with the Public Utilities Commission of Ohio, USDOT Federal Motor Carrier Safety Administration and the Unified Carrier Registration Program.
