Topography from aerial photographs by photogrammetric methods and by plane-table surveys 1960. Aerial photographs taken 1959

Polyconic projection. 10,000-foot grid ticks based on Ohio coordinate system, north zone. 1000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 1 meter south and 5 meters west as shown by dashed corner ticks

Land lines based on First Principal Meridian

Entire area lies within Congress Lands

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
