District 9, 650 Eastern Avenue, P.O. Box 467, Chillicothe, Ohio 45601-0467

John R. Kasich, Governor - Jerry Wray, Director - Michael Dombrowski, District Deputy Director

## SUMMARY OF FLOODPLAIN IMPACTS

Date: 11/4/2019  
Project ID: LAW-775-15.70 (PID 102181)  
Floodplain Affected: Zone A Panel 39087C0280E

Description of Project:  
The proposed project will improve 0.15 mile of S.R 775 and replacement of a deficient bridge (LAW-775-1570).

Why must this project be located in the Floodplain?

The existing bridge and portion of S.R. 775 are located in the Floodplains, which work is being performed.

What alternative sites were considered, if any?

No alternative sites were considered because the bridge, and S.R 775 were pre-existing.

Were any mitigation measures utilized on this project? If so, please describe.

No mitigation measures utilized on this project.

To the best of my knowledge, this project has complied with all applicable Local, State, and Federal Floodplain protection standards.

## SUMMARY OF FLOODPLAIN IMPACTS

Date: 11/4/2019  
Project ID: LAW-775-15.45 (PID 102181)  
Floodplain Affected: Zone A Panel 39087C0280E

### Description of Project:

The proposed project will improve 0.15 mile of S.R 775 and replacement of a deficient bridge (LAW-775-1545). Also, the improvement of intersection at C.R. 64 and S.R. 775 with minor roadway will be part of this project.

### Why must this project be located in the Floodplain?

The existing bridge and portion of S.R. 775 and C.R. 64 are located in the Floodplains, which work is being performed.

### What alternative sites were considered, if any?

No alternative sites were considered because the bridge, S.R 775 and C.R. 64 were pre-existing.

### Were any mitigation measures utilized on this project? If so, please describe.

No mitigation measures utilized on this project.

To the best of my knowledge, this project has complied with all applicable Local, State, and Federal Floodplain protection standards.
