Issue 24: Active Transportation is on the Move in Ohio!

...Seeking Nominations

How Does Active Transportation Move Ohio?

While we toss the confetti and ring in 2018, let's celebrate the many walking, biking and busing accomplishments around Ohio.

From the Ohio River to Lake Erie, and the rolling farm fields in western Ohio to the foothills of the Appalachian Mountains, you are telling us about more Ohioans using two feet, two wheels and transit. Now put it in writing.

Nominate an AT project you have participated in, been impressed with or one that you have seen benefit others. Was it an infrastructure project that helped a pedestrian have better access, do you have a SRTS program or a valuable education or data initiative? Those are just a few ideas to get you thinking.

[Nominate Here](#)

We want to recognize Ohio's top 17 AT accomplishments of 2017. Do you know of a project or program that deserves recognition?

Deadline: December 31, 2017, 11:59 PM

Questions about project eligibility?
